        }

    }
}

```

The screenshot shows a web browser window with multiple tabs. The active tab is displaying a registration form titled "Registration Form". The form is set against a light blue background and contains the following fields and controls:

- FirstName:** Text input field containing "Arjun".
- LastName:** Text input field containing "Dholei".
- Email:** Text input field containing "amndhole02gmail.com". To the right of this field, the text "Incorrect Email" is displayed in red.
- Age:** Text input field containing "25".
- Password:** Password input field containing four asterisks "****".
- Re-password:** Password input field containing two asterisks "**". To the right of this field, the text "Invalid password" is displayed in red.
- Mo-Number:** Text input field containing "8767041187".
- Gender:** Radio button group with "Male" selected and "Female" unselected.
- Register Now:** A button at the bottom of the form.

The browser's address bar shows the URL "localhost:51870/register1.aspx". The Windows taskbar at the bottom indicates a temperature of 34°C, the time is 20:07, and the date is 09-04-2023.
